### Hotel Reconstruction Project:

Negotiations are under way with the Elk Grove Park and Recreation District for establishing an agreement for reconstruction of the hotel. Recently Carl Amundson, project superintendent, submitted copies of the reconstruction proposal and the proposed agreement for reconstruction to the district for their review. The district is now investigating the possibility of providing county workman's compensation insurance for society members.

At last, the hotel site is a State Historical Landmark! Application for a National Historical Landmark has been submitted. Following approval, applications will be submitted for National Endowment funds and matching Federal Funds.

### Financial Status:

The Society now has assets amounting to \$8657 as of January, 1980. This is a gain of \$2417 over January 1979 assets. We're going to build that Hotel yet! Thanks, Edie MacDonald for watching out and caring for our dollars!

### Scrap Book:

Though it is called a scrapbook it is in reality a written and pictorial record of the activities of the Society and should become an interesting book to have in the future. If anyone has pictures or any item relating to the Society, please give them to Marion Mix who is in charge of compiling this material.

### Programs:

Nancy Seaton was guest speaker at the January meeting held at the Dave Snyder's residence. Nancy is a specialist in restoration of documents for the State. She spoke on the do's and don'ts of document restoration and encourages professional help. She offered to help locate professionals and can be reached through Dave Snyder at 685-5426. The February 11th program will feature Cindy Woodward, who will speak on the restoration of the capitol. This program will be presented at Jessie Baker's home at 8376 Elk Grove Blvd. at 7:30.

The December program featured History of Elk Grove Churches. Some of our own members were the speakers who spoke on the theme "People are the Church and Community". Potluck desserts were served and of course there was too much good eating.

Our Program Chairmen are doing an outstanding job of setting up excellent/informative/entertaining programs. All Society members and their friends are encouraged to attend. Try it, you'll like it!

### Corporation News:

The Elk Grove Historical Society is now officially incorporated in California. The necessary paperwork and tax exempt documents have been submitted, approved and filed with the Secretary of State.

The Society thanks all those who helped in this effort. We expect to receive our official notification in the near future.
